

## "NIGGER ARKANSAS" APPEARS IN COURT AT RATON TODAY

(Special Correspondence.)

Raton, N. M., March 23.—J. B. Humphreys, alias "Nigger Arkansas," suspect in the French robbery, to be brought from Las Vegas to Raton, will appear in the district court room on Wednesday morning.

On the incoming of court this morning several citizens of the county answered to the summons on the special venire issued for grand and petit jurors for the term, there being six vacancies on the petit jury list and a like number on the grand jury. On the petit jury list several of the parties summoned were found to be disqualified and a second special venire of fifteen names was issued by the court and placed in the hands of the sheriff for service. The full quota of twenty-one names on the grand jury panel were selected and as the court had announced that he would appoint Mr. Price, foreman of the grand jury for the term, Judge E. V. Long, attorney for J. B. Humphreys, asked permission of the court to file a motion that J. B. Humphreys, who has been in jail in Las Vegas for five months awaiting a hearing, be brought to Raton so that he might appear in court and challenge the grand jurors about to be empaneled.

Upon the filing of this affidavit and motion by Judge Long, the court deferred the empanelling of the grand jury, and adjourned the members thereof until Wednesday morning at 9:30 o'clock, and instructed the district attorney to prepare an order on Sheriff Cleofes Romero of San Miguel county to bring J. B. Humphreys, alias "Arkansas," immediately into court. Such an order was at once prepared and Sheriff Romero will bring Humphreys to Raton, deliver him to the custody of the sheriff, Abe Hixenbaugh, and he will be in court tomorrow morning.

Humphreys is suspected of being one of the hold-ups who robbed the Phelps-Dodge safe at French station, on Thursday, May 14th, 1907, securing \$35,000. For several weeks prior to the robbery he was in Springer, New Mexico, in the employment of Henry Farr. He disappeared from Springer a few days before the robbery, and never returned there. He was identified by two parties as being one of the robbers, these witnesses being in close proximity to the scene of the robbery at the time of its occurrence. In November, 1908, Humphreys was captured in Wichita, Kansas and brought to New Mexico. He had a preliminary hearing before Judge Mills on November 12th, 1908. At the conclusion of the hearing Judge Mills fixed his bond at \$15,000, and in default thereof he was sent to the county jail of San Miguel county to await the action of the grand jury of Colfax county.

The case of the territory vs. Elbert Harmon, charged with the murder of Tomas Salazar, is set for trial Wednesday morning, and will probably be reached on that date. Messrs. A. A. Jones and M. W. Mills are appearing for the defense.

The case of the territory vs. William H. Brunton, charged with an assault on Thomas Lester, change of venue from Mora county, will be called for trial immediately at the conclusion of the Harmon case.

W. R. Holley of Springer, N. M., was admitted to practice in the courts of the territory in open court this morning; a committee consisting of E. C. Crampton, E. E. Studley and H. L. Buckley, having reported favorably to his admission.

It is understood that Jerry Leahy will take an active part in the prosecution of all criminal cases on the docket during the present term, assisting the new district attorney, E. H. Studley, Mr. Leahy being familiar with the evidence in the various cases pending.

J. W. Collier of the mounted police, and whose residence is in Santa Fe, was in the city today, and an interested spectator at the court's proceedings.

J. Frank Hutchison, editor of the Springer Stockman, who was summoned as a petit juror, was excused

from serving in such capacity today, having presented good and ample excuses therefor.

P. J. Dolaney was excused from serving as a petit juror on the ground of defective hearing.

The following members of the bar from various cities in the fourth judicial district are in attendance on this term of the district court: M. W. Mills, W. R. Holley, Springer, N. M.; A. A. Jones, A. T. Rogers, Jr., Charles A. Spless, E. V. Long Las Vegas, N. M.

## RHEUMATISM HAS VERY MANY VICTIMS HERE

Reports Many Cases of Rheumatism Everywhere and Gives This Simple Home Recipe.

To make up enough of the "Dandelion treatment," which is claimed to be relieving nearly every sufferer who uses it for backache, kidney complaint, sore weak bladder and rheumatism, get from any good prescription pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon and three ounces Compound Syrup of Sarsaparilla. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

Those who have tried it claim that it acts gently but thoroughly on the kidneys, relieving backache and bladder trouble and urinary difficulties before you realize it. Many cases of rheumatism are known to have been relieved within a few days, the pain and swelling diminishing with each dose.

This simple recipe is said to strengthen and cleanse the eliminative tissues of the kidneys so that they can filter and strain from the blood and system the poisons, acids and waste matter which cause not only rheumatism but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active, or who suffers from any urinary trouble whatever should not hesitate to make up this mixture as it is certain to do much good, and may save you from much misery and suffering after while.

Gregory Page received a letter at Gallup from Thomas Pittman, who is now located in Berlin, Md., that his health is good, since coming to a lower climate.

### Good Cough Medicine for Children.

The remedy for coughs and colds is not so hard and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Starcher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children, and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by all dealers.

### Kills Would-Be Slayer.

A merciless murderer is appendicitis with many victims. But Dr. King's New Life Pills kill it by prevention. They gently stimulate stomach, liver and bowels, preventing that clogging that invites appendicitis, curing Constipation, Biliousness, Chills, Malaria, Headache and Indigestion. 25c at all druggists.

### WHEEZER OR SNEEZER?

Have You Heard of Hyomei for Catarrh, Asthma and Hay Fever.

If you wheeze or sneeze, hawk or spit, snuffle or blow, something is the matter with the membrane of your respiratory tract, and you need Hyomei.

And you need Hyomei because it will cure you of any catarrhal or inflammatory condition that exists.

It isn't a stomach medicine, or spray, or douche, but a very pleasant and healing antiseptic balsam from the eucalyptus forests of Australia. You breathe this balsamic air through a small, hard rubber inhaler, and it reaches every nook, corner and crevice of the membrane, and promptly kills the catarrh germs.

E. G. Murphey will sell you a complete Hyomei (pronounced High-ome) outfit for \$1.00 on the money-back plan.

"The use of Hyomei cured Mr. Cutler of catarrh in 1904. He has strongly endorsed the use of Hyomei in many instances, and we are glad to go on record regarding this marvelous catarrh cure, and endorsing its use."—Mrs. A. Cutler, 201 Post Ave., Battle Creek, Mich., Oct. 12, 1908.

## EVERYONE NEEDS S.S.S. IN THE SPRING

This is just a short talk which we hope will be of interest and help to you in selecting the tonic and blood purifier that will be of the greatest value to you this Spring.

That this is the most trying of all seasons on the health is a fact well known to us all. It is the time of year when our constitutions are required to stand the greatest strain, and unless properly cared for the foundation is often laid for physical disorders or disease later on. The great majority of persons are fast coming to realize the importance of preventing disease. Health is our most valued possession, and its preservation is a matter which vitally concerns every one.

Most persons, even those who are ordinarily strong and robust, feel the necessity of a tonic and blood purifier at this season. Some have no particular ailment, but are weak, debilitated and run-down. The Winter life, with its decreased amount of out-door exercise, and the fact that the cold weather has kept the pores of the skin closed, prevented the usual necessary amount of refuse and waste matter from being carried out of the system. These impurities entering the circulation have weakened and thinned the blood, and this vital fluid is therefore lacking in the nourishing properties necessary to sustain and preserve systemic health, when warm, active Spring life begins.

The general bodily weakness, tired, worn-out feeling, fickle appetite, poor digestion, etc., show how weak and anemic the blood has become. Frequently skin diseases, pimples, eruptions, boils, etc., break out on the skin, and this is evidence of the impurity of the circulation.

S. S. S. is the medicine needed to correct this condition, and is the only one on which you can rely to supply the system with the best tonic effects, and at the same time thoroughly purify the blood. The use of S. S. S. at this time may save you from a long spell of sickness, and it will certainly prepare you for the strain of the long, hot Summer.

Many people have put off using a tonic until the system became so weakened it could not resist disease, and have paid for the neglect with a spell of fever, malaria, or some other trouble. S. S. S. is Nature's ideal tonic and blood purifier, made entirely of the pure extracts of healing, strengthening, health-giving roots and herbs. It tones up the stomach and digestion, rids one of that tired, worn-out feeling, improves the appetite and digestion, and in every way contributes to the strengthening and building up of the entire system. S. S. S. is recognized everywhere as the greatest of all blood purifiers, and this combined with its unequalled tonic properties, make it a medicine needed by every one in the Spring.

S. S. S. is for sale at all drug stores.
